Fraenkel Gallery announces **The Shop at FraenkelLAB**, a four-week-only pop-up store featuring books, posters, limited editions, and special events, open to the public from November 30 – December 24, 2016. FraenkelLAB will partner with local collaborators **The Thing Quarterly**, **The California Sunday Magazine**, **TBW Books**, and **Little Big Man Books** to offer a diverse selection of artists' books, prints and artist-designed objects.

Visitors to The Shop can discover signed posters by Nan Goldin, Katy Grannan, Alec Soth, Richard Learoyd, and Adam Fuss, as well as favorite Fraenkel Gallery books. For art-lovers looking for particularly unique gifts, The Shop will offer a curated array of anonymous and vernacular photographs. The Shop will also feature limited-edition publications and artworks, including Lee Friedlander's large-format book *America by Car*; beautifully-printed broadsides of poetry accompanied by Robert Adams' photographs; and *San Francisco Panoramas, 1878 and 1990*, by Eadweard Muybridge and Mark Klett.

Join us on Saturdays in December, when FraenkelLAB, The Thing Quarterly, The *California Sunday Magazine*, TBW Books, and Little Big Man Books will host a series of events and surprise visits with artists, including book and poster signings.
